

Volunteers/Coaches

All Coaches are volunteers who give their time to help with the programs. While we have a few volunteers that are with us year after year, the majority of our coaches are mothers and fathers of the players and change from year to year. We rely on you, as parents, to step forward when asked to assist in any way that you are able in order to make the program a success.

All Coaches are required to complete a Coaches Application. We will have these available during the registration period. Completion of this application does not guarantee you a Coaching position.

A valid Drivers License and Social Security # are Required.

Your child will be placed on your team.

The Greenwood County Parks & Recreation Department's Facilities are open to everyone, regardless of race, sex, skin color, national origin, age or physical limitations. The program is designed to give all youth residing in the area the opportunity to play in an organized and adult supervised youth program.

Physicals:

While physicals are not required, it is recommended that parents take all necessary precautions to ensure that their children are physically able to participate in the sport for which they have been registered.
